

CLARE VALLEY PROGRESSIVE PICNIC

SOUTH AUSTRALIA'S CLARE VALLEY IS A PARADISE FOR PICNICKERS.

With the Clare Valley Progressive Picnic, you can graze the region and enjoy the culinary delights with ease.

The Progressive Picnic allows you to wine and dine your way around the magnificent Clare Valley region, stopping off at participating classic country pubs, tempting your tastebuds at leading restaurants, and exploring the variety of flavours around the area.

Businesses involved in the Progressive Picnic have enticing offers available - from coffee and cake to lunch deals, specials on local wines or cheese platters, and more. The packages start at as little as \$6.50 and do not exceed \$20, which means you can visit more than one venue without blowing the budget.

You'll know the destination or business is part of the Progressive Picnic from the branded yellow flags, stickers or menus clearly labelled with the Progressive Picnic logo. Settle into cosy cafes, visit country bakeries, stay in a bed and breakfast, or tour famous wineries - they'll all take part.

Remember to look out for the yellow Progressive Picnic flag hanging outside shops and businesses, and enjoy your gastronomical adventure.

And the best bit - just about everything on offer is local. That means fresh gourmet produce straight from the paddock to the plate. Even the bacon and eggs at participating bed and breakfasts are local and fresh. Regional oils, jams, relishes, olives, meats and wine are also available, so don't forget to fill your basket full of delicious regional produce to take home and savour.
